Freedom of Information Response

Our reference: FOI 24-0750

Responded to: 23 April 2024

Your recent request for information is replicated below, together with our response.

Please forward to me the Police Scotland match logs for the Kilmarnock FC Vs Rangers FC matches that took place at Rugby Park on 05/08/2023 & 28/02/2024.

Clarification

The precise information that I require is the number of visiting supporters/ supporters housed in the Chadwick stand who attended this match.

A previous recent enquiry regards this led to a response that Police Scotland do not hold information per stand (FOI 24-0633 refers). As a matter of procedure, I anticipate that visiting support numbers will be held, should it be required for a police purpose. I anticipate that the information may be held within the Police Scotland match log created for this game

The information sought is not held by Police Scotland and section 17 of the Act therefore applies.

By way of explanation, Police Scotland do not hold information related to attendance per stand. This information will be held by the club and you may wish to contact them with your enquiry.

If you require any further assistance, please contact us quoting the reference above.
