

Freedom of Information Response

Our reference: FOI 24-1309

Responded to: 5 June 2024

Your recent request for information is replicated below, together with our response.

I am seeking all emails, letters, memoranda, notes, and any other forms of written communication exchanged between Scottish police forces, The Crown Office and First Minister and Justice Secretary regarding Iain Packer within the timeframe of 1990s to 2000, inclusive?

I regret to inform you that I am unable to provide you with the information you have requested, as it would prove too costly to do so within the context of the fee regulations.

As you may be aware the current cost threshold is £600 or 40 hours and I estimate that it would cost well in excess of this amount to process your request.

As such, and in terms of Section 16(4) of the Freedom of Information (Scotland) Act 2002 where Section 12(1) of the Act (Excessive Cost of Compliance) has been applied, this represents a refusal notice for the information sought.

In terms your specific request, it is too wide to collate data within the timescales prescribed under the Act. To explain further, each area has their own shared drives, which would require to be checked for documentation, along with every individual's mailbox and also any departmental mailboxes. Whilst we could conduct out a search of departments where we think the information would be held relating to your request, we cannot guarantee that this would produce any information or would provide a full and accurate picture in terms of your request.

If you require any further assistance, please contact us quoting the reference above.

You can request a review of this response within the next 40 working days by [email](#) or by letter (Information Management - FOI, Police Scotland, Clyde Gateway, 2 French Street, Dalmarnock, G40 4EH). Requests must include the reason for your dissatisfaction.

OFFICIAL
